New Year's Eve Celebration!

If you were at this event last night, you will agree that this was the best party we have ever had. In fact, it was the best party ever in the Village. The decorations were absolutely stunning.

Judy Richards and her decorating committee stunned the guests with the creative and beautiful decorations.

Vibrant Occasions did not disappoint with the fabulous dinner. The hot and delicious fare was the talk of the crowd of 184 members.

The dance floor was never empty all night. It was full with our members dancing to their favorite songs provided by "Liquid Kitty". When the countdown started, the place was still rocking with members ready to toast in the new year.

At midnight, 100 balloons dropped from the ceiling onto the excited crowd.

Thank you to the volunteers that helped make this a success. Judy Richards has a gift of creative decorating. Roger Ricks and Dick Hudelson figured out how to execute Judy's vision. A large number of volunteers worked for two days to transform this venue into an elegant party room. Thank you to all the volunteers that made this event great.

Also for the **lost and found**: There was a scarf left on a chair last night and also a pair of glasses were found. Please contact JoAnn if they are yours at momkohl@gmail.com.

Boomers Rock Website update

You may have noticed we have made quite a few minor changes to our existing website during November & December. We are now about to roll out a new website with an updated look and feel. This was necessary as we were working with an older, no longer supported version, of the WildApricot website platform. The upcoming changes will also include some navigation changes to make things a bit easier to find when visiting the website.

It will be necessary to shut down the website for a short time to make the changes take effect. We will be sending out an email announcement to all members a few days before we shut things down.
