

Boomer Blast Nov 2019

President's Message!

Hey Boomers! I hope everyone enjoyed our fantastic October events! While we still have some great events planned for 2019, we also need to turn our attention to next year.

It is time to nominate and elect new board members. This year we have one board member rolling off the board and one who indicated they wish to continue serving. So, while we have room for more, we have a need for at least one new board member. Anyone interested in learning more about serving on the board can contact me via email at info@boomersrockhsv.com

Thanks,

Jim Erickson

Fall Beach Party!

Over 180 members and guests gathered on a beautiful night on Lake Balboa Beach. We were excited to see and meet the many new members that joined us on the beach. All the chairs circled the beautiful fire in the fire pit. Everyone enjoyed their favorite tunes playing from our PA system. Many marshmallows were roasted and plenty of popcorn consumed. In the spirit of Halloween, chocolate candy was passed around the campfire. A Big Thank You to Basecamp for co-sponsoring this event.

2nd Annual Fall Classic Scramble!

The weather was not as nice as predicted but everyone still had a wonderful time. We had a shotgun start on Cortez Golf Course. Bud Lowry explained the rules before the teams headed out to their assigned holes. Cash prizes were awarded to the first and second place teams. Winning first place was the team consisting of Gene McMeans, Robin Lambert, Jim Harrington, and Warren Walters. The team consisting of Barbara Coppinger, Patrick Johnson, Jean Myers and Charles Oktavec came in second. Closest to the pin winners were Judy Richards, Annie Webster, Jim Harrington, and Doug Fentress. Thank you to everyone who came out for this wonderful event. Thank you to Bud Lowry for putting this event together. Thanks to Raffaella Rose for providing the buffet dinner. Big thank you to S & P Golf for donating two gift certificates for door prizes.

Halloween Spooktacular V

Boomers Spooktacular V Halloween Party was the place to be last night. A large crowd of over 150 enjoyed the food, music, dancing and friendship. The costumes were spectacular this year. From aliens to a retired Hooter employee, we had it all. The secret judges had a hard time selecting the winners. Top honors for "Best of All" went to "Glinda the Good Witch". The winner of the Pumpkin Carving Contest was Winona Anderson. Liquid Kitty, as usual, had the crowd on their feet all night long. The food which was made by volunteers satisfied all the hungry ghosts and goblins. Thank you to all of the cooks. Everything was delicious. Thanks to Judy Richards who provided a display of cookies. Her macrons are incredible. Thank you to all of the volunteers that

helped make this such a successful event. Thanks to Roger Ricks for being our MC. Thanks to Serena Gonzales who choreographed a wonderful dance to "Thriller". She spent several tireless weeks trying to teach some Boomers dancers the moves. It was great. Start planning your costume for next year. See you on the dance floor.

Message From Your Events Director!

Every year at this time, I start planning the events for the next year. In looking forward to 2020, I would like to analyze the events of this year. In November, you will be receiving a survey from me regarding the events we had in 2019. Please respond to this survey. It is with your honest feedback and your suggestions that help me to improve the events offered. Thank you to that volunteer and support the activities of our club. This club is great because of all our great members.

Thank you.

JoAnn Kohlmeyer
